JAWA

OAWA is a startup that has created a wealth management advisory platform along with a wealth advisory EdTech platform. OAWA is founded by three experienced professionals in Sujoy Das, Saibal Mukherjee and Vikram Sengupta. With their expertise in the industry, they have curated Training Courses focused on wealth management advisory for OAWA's EdTech platform.

THE LOGO

The Logo is a very valuable asset, a key building block in our identity and the primary visual element that identifies OAWA.

FULL OAWA LOGO

Mainly a typograpy with a slight icon element, this logo is minimal, easy to read and resonates within the mind of the consumer.

An arrow incorporated within the letter 'O' in the beginning of the logo instills a feeling of progess and success.

COLOR VARIATIONS

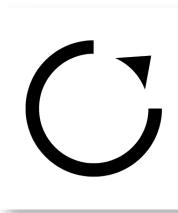

Our primary logo is a two-colour option with the text in blue. This logo works best on a white background. When used on a green background, the colours will change to white. On a blue background, the arrow will remain blue, the text will be white.

CAWA

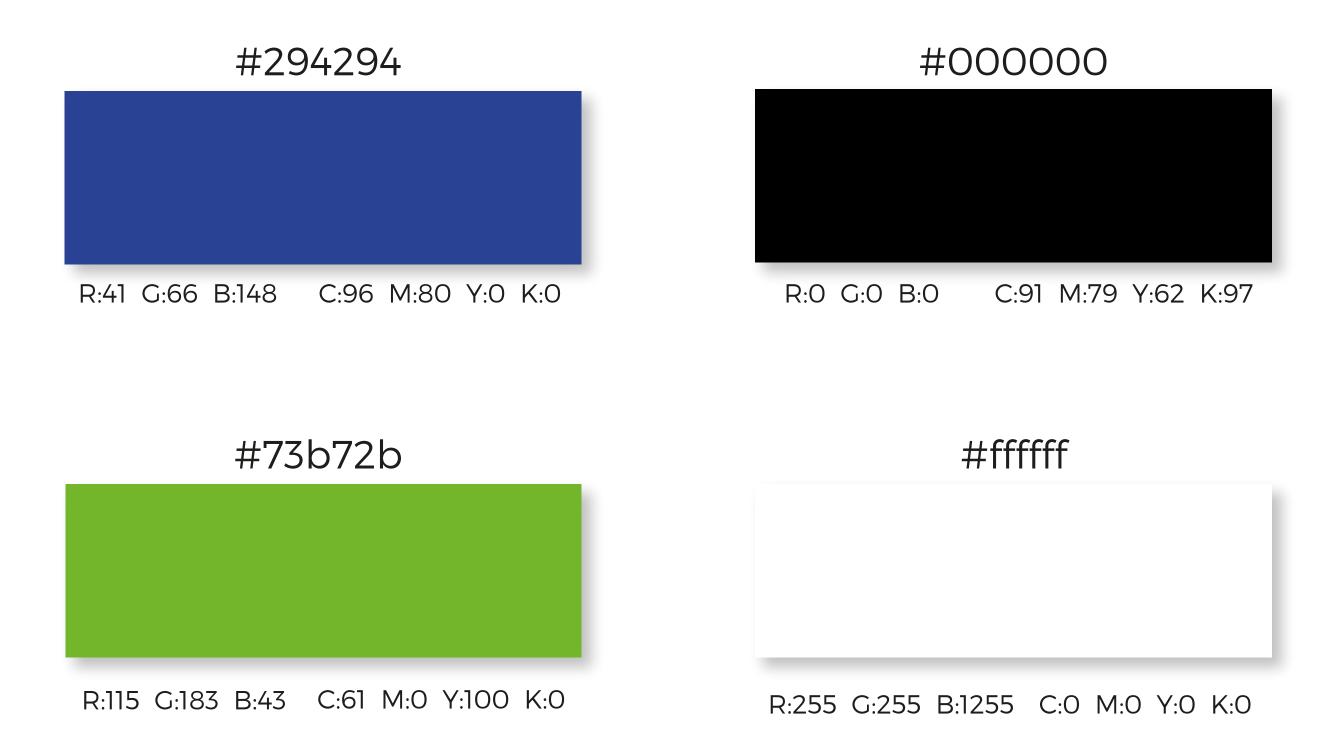

COLOR PALETE

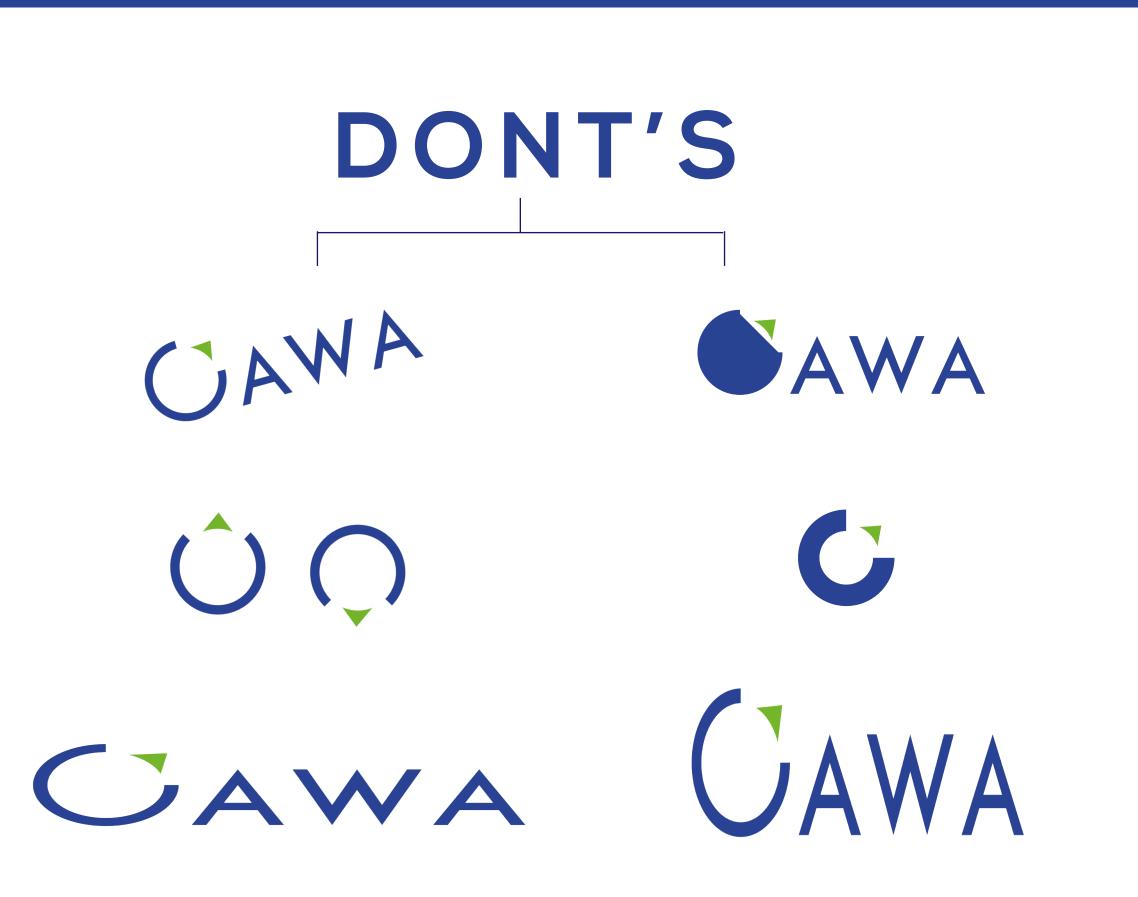

Blue represents the healing nature of water and the power of stormy seas. It's what separates bodies of land from one another, and it's a marker of loyalty and fidelity. The arrow in green symbolizes growth and success.
